

The Centre Holds Rare Eclipse Prayer (Khusuf Salah)

As practised by the Prophet Muhammed ﷺ !

Over 1,000 worshippers turned out to participate in the *Khusuf Salah* (Eclipse prayer) on Friday 20th March at 9.00am.

The eclipse prayer is a lesser-known *sunnah* (practice of the Prophet Muhammad ﷺ), and [Lewisham Islamic Centre](#) took the opportunity to revive the awareness of this deed. Our Prophet ﷺ would rush to the mosque at the sighting of the eclipse and lead a prayer asking for mercy and benevolence from Allah ﷻ, before ending with a sermon as a warning and reminder to the people.

At our Centre, men, women and children gathered to stand in prayer for over an hour, before listening to a sermon about how to become closer to Allah ﷻ. We pray that Allah ﷻ accepts our efforts and our prayers, for our families at home and our Ummah abroad.
